

If you could invite
anyone over for dinner,
dead or alive,
who would it be?

What makes you
feel loved?

How do you like
to show your
love and appreciation
for others?

Would you rather get a
gift from someone or go on
an outing with them?

Which color best represents
your personality?

If you could only listen to
one genre of music what
would it be?

Do you talk to yourself?

How do you deal with setbacks?

What does "success" mean to you?

What frustrates you?

What is a new skill you would love to develop?

What is your ideal way to relax?
