

## Come Follow Me - Old Testament

Week 19 : May 2 - May 8 ~ Exodus 35-40: Lev 1; 16; 19

Monday - Read the introduction for this week's CFM. Introduce word of the week and discuss.

FHE - Before doing FHE, or CFM in general for the week, read through the section prior to this week's CFM pages titled Thoughts to Keep in mind: "The Tabernacle and Sacrifice". Highlight any parts you would like to incorporate in your FHE or throughout the week. Do the activity on the 2nd page below.

Tuesday - Read Exodus 35: 20-29 Everyone has something to contribute. President Bonnie L. Oscarson taught: "Each member should know how much he or she is needed. Each person has something important to contribute and has unique talents and abilities that help move this important work along". Journal what your contributions to the Lord can be.

Wednesday - Do section "The Lord wants me to become holy as He is" in the CFM manual through the chart which you can have the older kids journal.

Thursday - Do the 2nd half of the section "The Lord wants me to become holy as He is" beginning with just following the chart.

Friday - Read Leviticus 1:3. Why must it be a male "without blemish"? What do you think it means by "he shall offer it of his own 'voluntary' will" when they have already been told what to do? Liken sacrifice to the atonement of Jesus Christ.

Sunday - Do section "Through the Atonement of Jesus Christ, I can be forgiven" in CFM manual. Review the word of the week and discuss lessons from church that day.

## FHE

This activity will actually partly be done before FHE really begins. Take kids into a messy room of the house to do FHE. Acknowledge that this probably isn't the ideal place to do the lesson and suggest moving to the bathroom. How about the hallway? Ask the kids where they suggest it would be best to do the lesson and then proceed to go to your ideal location.

Ask the children why they didn't want to do the lesson in the playroom/ bathroom, etc. Explain that there are ideal places to do certain activities such as FHE is most enjoyable in the family room and the dishes are easiest to clean in the kitchen sink vs the bathtub, or bathing is ideal in a tub or shower vs outside with the hose. Now we COULD shower outside in the dirt with a hose, or do dishes in the tub if needed or even do FHE in a less than ideal room in the house but each of these activities get the best results when done in the ideal location for that activity. The same goes with sacred places. We can feel the Savior anywhere we invite Him but it is easiest to feel Him in certain locations.

What holy places do we have today that helps us draw/feel closer to the Savior? What are some of the things about these locations that make them so ideal to worship God and feel our Savior near? (sacred, symbolism, quiet, clean, etc) Discuss any highlighted parts from Thoughts to Keep in Mind: The Tabernacle and Sacrifice found at the beginning of this week's CFM outline.
